A Word from the Pastor, Bro. Kevin Denton

As we begin a new year together, its fitting to take inventory of what we have lost and gained.

We have lost some members who passed in 2022; Chet Way, Chris Houk, Randy Turner, Joan Garrison, Dorothy Stinson, Jen Nall, Charles Marcum, and just recently Jim Doyle. But when a person is a follower of Jesus, do we really loose them? No, because if we too are followers of Jesus, we will meet them again in our Father's house in heaven.

We have lost some members in 2022 through moves and some through simply not attending anymore. Health reasons for not attending is understandable. Being led of the Lord to be involved in another ministry somewhere is also understandable. We need those of you who for other reasons are not attending as you once were, to please come back. We miss you. We need you. We want you. And I hope in some deep way you realize you miss, need, and want us too.

Involvement in a church is a spiritual discipline. Living through a once in a 100-year pandemic, it was so easy to begin the new habit of not attending. Let's begin an old habit once again. Come to worship this Sunday, January 1, and share in the Lord's Supper with your forever family, The Church.

But we have also gained some members this year. Tom and Lori Bloomingburg, and Cory Graves moved their church membership to HCBC. And currently we have two preparing to be baptized.

And we have gained another year of experience as a follower of Jesus. What will you gain this year? Let's find out the best way, together.

I can hardly wait to see you Sunday.

In His Love, Bro. Kevin

The Worship Choir, Jeff Bennett, GHS Accidentals, soloists, and Tech team all did a fantastic job in presenting "The Greatest Story Ever Told" Christmas program on December 11.
