**A Word from the Pastor,  
Bro. Kevin Denton**

I want to build a church my children and grandchildren would want to attend. That goal has consumed all my efforts for over 26 years as your pastor. What kind of church do you want to build? What kind of church are you building right now? If every church member would instantly agree with your vision of the church of your dreams, what would the church look like? Would your children and grandchildren want to attend your dream church? The vision that we are following will determine the future of HCBC. What is your vision? What will be the outcome?

I hope to see you Sunday.

In His Love,

Bro. Kevin
